How the PEV Rebate Program Works

Public Agency submits a complete application package BOTH online and as a hard copy by **December 18, 2015.**

The Air District will review the application **within 45 calendar days** of receipt.

If the application IS NOT approved, the Air District will provide Public Agency an explanation of its determination.

If the application IS approved, the Air District will issue Public Agency a Voucher for each approved vehicle.

Vouchers may be **redeemed for up to 120 days** after the issuance.

Voucher and funding award(s) EXPIRE if NOT redeemed within 120 days after issuance.

To redeem the Voucher **within 120 days** after issuance, Public Agency must: 1) purchase or lease the approved vehicle; AND 2) submit evidence of compliance with all Program Requirements, including Vehicle Purchase Form, Vehicle Purchase Agreement, proof of insurance, DMV Registration, and photos of vehicle and odometer.

Failure to meet any PEV Voucher Program Requirement will result Public Agency having to **repay the Air District a prorated amount of the award.**

Public Agency must operate each Voucher-funded vehicle within the Air District's jurisdiction for **at least 3 years** AND operate each Voucher-funded vehicle for a **minimum of 15.000 miles.**
