

RFP 2011-009

- Name of current security provider, and length of term they have provided security to BAAQMD
-Admiral Security, since March 2010.
- Current rate per hour
- We will not be providing this information prior to the bids being submitted.
- Will BAAQMD consider a multi year proposal, or are you only looking to enter into an annual agreement?
- This contract is for one year, with the District's option of extending it for two (2) one year periods.
- Can suppliers provide a CD with an electronic copy of proposal in lieu of an email?
- A CD is sufficient to meet the electronic submittal requirements.
- Are there any specific requirements needed to qualify as a local business? .
- Must have company headquarters in the 9 county jurisdiction of the BAAQMD.

- **Section IV Scope of Work**

Can a contractor utilize a guard that is a retired law enforcement officer, or ex-law enforcement officer with multiple years' experience to satisfy armed guard requirement? Also, would you consider security guards with prior military experience?
-The District prefers off duty police officers or retire law enforcement.

- Will contractor be responsible for providing equipment such as cell phone, laptop, or RFID Patrol/Tour System, and vehicles?
-Contractor needs to provide cell phones and vehicles for their officers. Other items are optional.
- Are online digital reports (DAR / IR) completed by contractor utilizing an internal BAAQMD System, or a system maintained and managed by contractor?
-Online report system is optional, a paper report system is required with a daily event log. This is to be maintained and managed by the contractor.
