Website Content Language Translation

The District intends to post answers to questions regarding RFP 2014-014 as questions are received to allow sufficient time for bidders to review the answers prior to the submission deadline.

This document serves as notification of the amended language in the RFP to reflect this change.

The District has replaced the language, "All questions will be answered in writing and posted on the BAAQMD RFP webpage on December, 15, 2014." with,

"All questions will be answered in writing and posted on the BAAQMD RFP webpage **by** December, 15, 2014."
