Overview:

At the April 29th Committee meeting the Committee approved the proposed Budget for FYE 2010, as amended, with the exception of Appendix C-Fund Balances, and directed staff to bring back recommendations for Appendix C-Fund Balances.

Mr. McKay discussed modifications and presented options to the Reserve structure, noting that the proposal does not change total fund balances or encumber funds, but rather considers allocations:

- Option A - existing Fund Balances;
- Option B - allocates \$1 million each for a total of \$6 million (Special Reserves):
 - Building & Facilities; Capital Equipment and Climate Protection
 - \$3 million to OPEB
- Option C - allocates \$1 million each to:
 - Building & Facilities, Capital Equipment, Climate Protection

- \$4 million for Contingencies (Reserve for Economic Uncertainties)
- \$3 million for OPEB
- Option D - allocates the following:
 - \$3 million for Building & Facilities
 - \$2 million for Capital Equipment
 - \$1 million for Climate Protection
 - \$4 million for OPEB (Reserve for Economic Uncertainties)

Committee Member Comments:

Committee Members questioned examples of capital equipment allocation, discussed the 15% Reserve target, comparisons between Options C and D, funding for climate protection and potential benefits regarding the timing of purchasing capital equipment.

Committee Action: Vice Chair Wagenknecht made a motion to recommend Option D, with direction to staff to return to the Committee and: 1) Provide information on present date OPEB liability; 2) Develop recommended proposals for encumbrances; and 3) Develop recommended proposals for Building & Facilities and Capital Equipment; Director Groom seconded the motion; carried unanimously without objection.

Re: Consideration of San Mateo County's Pooled Fund Investment Policy Adoption

RECOMMENDED ACTION:

Consider recommending that the Board of Directors, by Board resolution, adopt the County of San Mateo's Pooled Fund Investment Policy (Investment Policy), including all subsequent policy revisions.

DISCUSSION:

The Bay Area Air District is required by the Health and Safety Code, Section 40275, to maintain its treasury in the custody of the county treasurer of a county within the Air District. The county may be selected by the Air District board. The Air District is subject to the respective county's investment policy. The County of San Mateo was selected by the Air District's Board of Directors to fulfill the Treasury role. As substantially all of the Air District's cash is invested by the San Mateo County Treasury, staff reviewed the Investment Policy, and determined that the Air District's conservative investment goals are met by the Investment Policy

In addition to this investment policy review, and in order to maintain investment diligence, the Air District is currently exploring the potential benefit of moving its treasury to the custody of an alternate county within the Air District's jurisdiction.

BUDGET CONSIDERATION/FINANCIAL IMPACT:

No impact on Fiscal Year 2008/2009 budget.
