Refinery Emissions Reduction Strategy

Workshop Reports

Available for Review by September 2, 2015

The Bay Area Air Quality Management District thanks you for your interest in the Refinery Emissions Reduction Strategy.

Please **check back here again** to find the related workshop reports and draft rules. These documents will be available for review by September 2, 2015 at <http://www.baaqmd.gov/ruleworkshops>.

The documents will be available at least 30-days prior to the close of the public comment period on Friday, October 2, 2015.

New Proposed Rules:

Para asistencia en español, llame al 415-749-4609. 如需华语服务, 请致电 415-749-4609.

Para sa tulong sa Tagalog, tumawag sa 415-749-4609.

The Air District is the regional agency responsible for protecting air quality in the nine-county Bay Area.
