## **MEDIA ADVISORY**

### **Air District offers \$4 million for grant projects that reduce greenhouse gas emissions**

**SAN FRANCISCO** – The Bay Area Air Quality Management District is currently requesting proposals for energy efficiency, cool roof and renewable energy projects.

Approximately \$4 million is available to fund eligible projects through a new grant program intended to achieve significant reductions in GHG emissions. The Air District will fund projects in non-residential, government buildings located in Rodeo, Crockett, Hercules and Pinole.

The deadline for submitting proposals is 5 p.m. on Monday, December 14, 2009. The Air District is conducting a workshop to provide assistance to potential grant applicants at the following time and location:

**Thursday, November 19, 2009**  
**2 – 4 p.m.**  
**Rodeo Senior Citizen Club**  
**189 Parker Ave**  
**Rodeo, CA 94572**

Application and guidance materials can be found at:  
<http://www.baaqmd.gov/Divisions/Strategic-Incentives/Green-House-Reduction.aspx>

Funding for this program was made available by a Carbon Offset Fund created by the Air District with funds from a settlement agreement between the Attorney General of California and ConocoPhillips Company.

The Bay Area Air Quality Management District ([www.baaqmd.gov](http://www.baaqmd.gov)) is the regional agency chartered with protecting air quality in the Bay Area.
