### **Air District seeks public comment for proposed Alameda County power plant**

**SAN FRANCISCO** – The Bay Area Air Quality Management District has issued a Preliminary Determination of Compliance for the Mariposa Energy Project, a proposed 200-megawatt natural-gas-fired power plant that would be located in eastern Alameda County.

The Air District invites all interested parties to comment on any aspect of the Preliminary Determination of Compliance. The Air District will review and consider all comments received from the public before deciding whether to issue a Final Determination of Compliance for the proposed project. The California Energy Commission will use the Air District's Final Determination of Compliance in conducting an environmental review and determining whether to issue a license for the project.

The Preliminary Determination of Compliance, proposed permit conditions and key supporting documents are available on the District's website at [www.baaqmd.gov](http://www.baaqmd.gov). All documents and materials are also available for public inspection at District Headquarters, 939 Ellis Street, San Francisco, CA, 94109. Copies of any of these documents and further information about the project can also be obtained by calling or writing Brenda Cabral, Supervising Air Quality Engineer, BAAQMD, 939 Ellis Street, San Francisco, CA, 94109, (415) 749-4686, [bcabral@baaqmd.gov](mailto:bcabral@baaqmd.gov). Para obtener información en español, comuníquese con Brenda Cabral en la sede del Distrito, (415) 749-4686, [bcabral@baaqmd.gov](mailto:bcabral@baaqmd.gov).

Written comments should be sent to Brenda Cabral, Supervising Air Quality Engineer, at the address above, and must be received by September 27, 2010.
