FOR: GRAPHIC ARTS PRINTING OPERATIONS

The Bay Area Air Quality Management District (District) will conduct Compliance Assistance Schools to present and discuss new amendments to **Regulation 8, Rule 20: *Graphic Arts Printing and Coating Operations***. The Compliance Assistance School is free and will be held from **4:00 pm to 6:00 pm, on Wednesday July 7, 2010 at the Joseph P. Bort MetroCenter 101 Eighth Street Oakland CA 94607.**

All graphic arts facilities attending the compliance school will receive a \$75 discount on the initial District Registration fee when completing the registration during the course. (See **BACKGROUND** for information on the facilities that must register.)

BACKGROUND

Regulation 8, Rule 20: Graphic Arts Printing and Coating Operations was amended July 9, 2009. This rule regulates traditional printing, such as letterpress, lithographic, flexographic, gravure, screen printing AND now regulates commercial digital printing operations as a type of graphic arts operation. The amended rule includes recordkeeping requirements and also new VOC limits for coatings and solutions. These Compliance Assistance Schools are targeted to Graphic Arts Printing Operations, including commercial digital printing facilities that require registration with the Air District. **The facilities required to register are lower volume operations that have monthly emissions of between 75 lbs and 400 lbs of Volatile Organic Compounds (VOC).**

COMPLIANCE ASSISTANCE SCHOOL DISCUSSION

This Compliance Assistance School will review the changes to Regulation 8, Rule 20 as they apply to graphic arts printing and coating facilities:

- New annual registration requirements for graphic arts operations
- Review of recordkeeping requirements
- New VOC limits for coatings and solvents

ONLINE REGISTRATION

The District will have computers available and will provide assistance for attendees to comply with the new registration requirements. *A \$75 discount off the initial \$215 registration fee will only be given to graphic arts operators attending and registering at the compliance school.*

Please bring the following information to register during the Compliance Assistance School:

- Name of Company
- Credit Card or electronic check routing number for payment
- Monthly emissions of VOCs which can be determined by using an online calculator located at: <http://www.baaqmd.gov/ICS>. If you need assistance, please call.

ADDITIONAL COMPLIANCE ASSISTANCE MATERIALS PROVIDED

The District will provide the following additional materials:

- Ink and cleaning product logs for recordkeeping purposes
- Copies of Regulation 8, Rule 20
- Copies of the Air District's advisories.

Refreshments will be provided during the Compliance Assistance School.

Please RSVP with Eric Pop by July 1, 2010 if you plan on attending the School (see contact information below). Due to limited seating, additional schools can be scheduled if requested.

To learn more about the rule, please visit the District website at <http://www.baaqmd.gov/>. For questions or comments on Regulation 8, Rule 20, please contact Eric Pop, Air Quality Specialist, at (415) 749-5172, or epop@baaqmd.gov.

TRANSLATION SERVICES

If you require translation services, please contact Ruth Argueta, *in advance*, at rargueta@baaqmd.gov or (415) 749-4778, so we can arrange to accommodate your request.
