

Notice of Extension of Public Comment Period

Proposed Air Quality Permit for the Russell City Energy Center, Hayward, CA Public comment period extended to Friday, February 6, 2009

The Bay Area Air Quality Management District (“District”) is proposing to issue a Prevention of Significant Deterioration (“PSD”) Permit for the Russell City Energy Center. Before doing so, the District is providing the public with notice of its proposal and an opportunity to review and comment on the proposed permit. Originally, the public comment period was to end on January 22, 2009. **A decision has been made by the Executive Officer/ Air Pollution Control Officer to extend the comment period for this project to Friday, February 6, 2009.**

Further information about the project and how it will comply with applicable PSD regulatory requirements is available in the District’s Statement of Basis for the proposed permit. A fact sheet about the project, the Statement of Basis for the proposed permit, proposed permit conditions, the permit application and all data submitted by the applicant, and all other supporting materials are available for public inspection at the Communications and Outreach Office located on the 5th Floor of District Headquarters, 939 Ellis Street, San Francisco, CA, 94109. The fact sheet, Statement of Basis, and proposed permit conditions are also available on the District’s website at www.baaqmd.gov. Copies of any of these documents and further information about the project can also be obtained by calling or writing to Weyman Lee, P.E., Senior Air Quality Engineer, Bay Area Air Quality Management District, 939 Ellis Street, San Francisco, CA, 94109, (415) 749-4796, weyman@baaqmd.gov.

The District invites all interested parties to comment on any aspect of the proposed PSD Permit pursuant to 40 C.F.R. Section 124.11. Comments should be made in writing and directed to Weyman Lee at the address provide above, and must be received by Friday, February 6, 2009 at 5:00 pm.
