

and/or

Bob Nishimura, Project Manager  
bnishimura@baaqmd.gov

both of the Bay Area Air Quality Management District

and

Nate Miley, BAAQMD Board of Directors/Alameda County  
bosdist4@acgov.org

Please notify me in writing of any and all opportunities for public comment on the permit application for the proposed Russell City Power Plant in Hayward, California.

I urge you to deny the permit for this power plant due to the negative health and environmental impacts this project would have on our community. Thank you.
