

Please either mail this form/request to Jack Broadbent, Air Pollution Control Officer,  
jbroadbent@baaqmd.gov

and/or

Bob Nishimura, Project Manager  
bnishimura@baaqmd.gov

both of the Bay Area Air Quality Management District

and

Nate Miley, BAAQMD Board of Directors/Alameda County  
bosdist4@acgov.org

Petition received  
by Mary Ann  
McMillan during  
public testimony

Please notify me in writing of any and all opportunities for public comment on the permit application for the proposed Russell City Power Plant in Hayward, California.

I urge you to deny the permit for this power plant due to the negative health and environmental impacts this project would have on our community. Thank you.
