Subject: RCEC

Hi Brian,

I was misquoted in the transcript for the RCEC public hearing.

MR. SIMPSON: Good evening. I'm Rob Simpson.  
18 I'm the person who won the remand from the EPA  
19 regarding this permit. So don't blame me for being  
20 here.

I said "you can blame me for being here"

It is nice to see the public comments posted. I did not notice the comment that I filed on behalf of HAPA (below). Please also consider all correspondence between myself and the district during the comment period as public comments and post accordingly. This includes correspondence between Sandy Crockett, Weyman Lee, Rochelle, Jack Broadbent and myself.

Thanks

Rob Simpson

The Hayward Area Planning Association (HAPA) hereby objects to issuing the PSD permit for Russell City Energy Center. We incorporate into our comments by reference the comments made by Chabot College, Sierra Club, Earthjustice, Golden Gate University, Audubon Society, California Native Plant Society, Hayward Area Recreation Department, Hayward Area Shoreline Planning Association, Californians For Renewable Energy and Rob Simpson.

Rob Simpson  
Director  
HAPA
