Subject: Calpine

My family has owned the property at 2661 Depot Rd., in Hayward, for over 50 years. We have seen many changes during that time. Nothing has alarmed us more than the plans to construct Calpine and Tierra. The community had come together to speak-out against this loud and clear. This site is not appropriate. It will scar a beautiful shoreline, further pollute a neighborhood and beyond, and pose a significant safety hazard to pilots.

This 24/7 operation is not in keeping with today's "green" world. It is step backwards.

Thank you,

Connie Jordan
