

WEYBURN LEE - B. A. A. Q. M. DIST.

DEAR MR. LEE

I'VE BEEN AGAINST CALPINE & HIS IDEAS SINCE IT CAME TO LIGHT RECENTLY.

I'VE ATTENDED MEETINGS & IT SEEMED THAT THE MAJORITY WAS AGAINST THE IDEA -

WHY DOESN'T HE TRY TEXAS? I LIVE HERE, ACROSS THE STREET & I & MY NEIGHBORS DON'T WANT TO DIE FROM HIS CO & NITROGEN. WE ARE FUSBY THAT WAY.

HOWEVER THERE ARE SCHOOLS, CHURCHES, HOSPITALS, PLAYGROUNDS, CONValesCENT HOMES WHICH ALL WOULD BE CONTAMINATED BY THOSE POISONS.

I AM AGAINST THE WHOLE THING. IT'S DANGEROUS - FOR 30 PIECES OF SILVER?

SINCERELY
