Dear Mr. Neubacher:

The District received an application on June 26, 2008 for a new power plant (Marsh Landing Generating Station) that is subject to PSD permitting requirements. The application was deemed complete on June 30, 2008. The proposed power plant is located adjacent to the existing Mirant Delta facility. Please note the Gateway Generating Station is also adjacent to the Mirant Delta facility.

The Marsh Landing Generating Station would be located at Wilbur Avenue in Antioch, Contra Costa County. The 930 megawatt (MW) power plant consisting of two Siemens FP10 combined cycle units and two Siemens 5000F simple cycle units.

The purpose of this letter is to notify the Federal Land Manager per the PSD delegation agreement (VI.3(a)) that the application for the project has been received and deemed complete.

If you have any further questions, please call me at (415) 749-4623, (fax 415-749-5030).

Sincerely,

Brian K Lusher
