Re: Marsh Landing Generating Station  
Application Number 18404, Plant 19169

Dear Mr. Lusher:

Mirant Marsh Landing, LLC (“Applicant”) hereby submits this letter as an addendum to Applicant’s application for a Prevention of Significant Deterioration (“PSD”) permit for the Marsh Landing Generating Station. Mirant Marsh Landing, LLC commits to implement all of the mitigation and avoidance measures set out in Section 7.2.4 in Section 7.2 – Biological Resources of the Marsh Landing Generating Station Application for Certification (08-AFC-3) dated May 2008.

If you have any questions or require additional information regarding this subject, please feel free to contact Applicant’s consultant, Mark Strehlow of URS Corporation at (510) 874-3055.

Regards,

John Chillemi  
President
