Subject: Application No. 18404 Marsh Landing Generating Station

Mike,

The Bay Area Air Quality Management District has completed a preliminary review of the Amended Determination of Compliance/Authority to Construct Application. The District has determined that the information contained therein is sufficient to undertake a Determination of Compliance review. In addition, the District may also request from the applicant any information necessary for the completion of the Determination of Compliance review.

Application number 18404 is now considered to be complete as of 9/22/09. In accordance with Regulation 2, Rule 3, the District shall conduct a Preliminary Determination of Compliance Review within 180 days of accepting an Determination of Compliance/Authority to Construct Application as complete.

Regards,

Brian K Lusher
Senior Air Quality Engineer
Bay Area Air Quality Management District
