SUBJECT: Preliminary Determination of Compliance
Marsh Landing Generating Station, Application No. 18404

Please review and sign the attached transmittal letters for the District's Preliminary Determination of Compliance for the Marsh Landing Generating Station. Also enclosed for your review is the public notice and ad flyer for the project. The proposed Marsh Landing project consists of four Siemens 5000F simple-cycle gas turbines, two natural gas fired preheaters, and associated equipment.

If you have any questions, please contact Brian K. Lusher, Senior Air Quality Engineer, at extension 4623.
