**Subject:** Siemens information

Keith: This is the information that I just received from Benjamin Beaver at Siemens:

Brenda - Subject letter was transmitted yesterday. Please see  
inserted  
email with letter attached. The subject gas turbine is Siemens  
model  
SGT-800.  
Best regards,  
Benjamin

The letter is below.

Today is a day chock full of meetings. I will be available for discussion tomorrow.
