**Subject:** MEP: ERC Certificate Numbers

Hello Madhav,

Thank you for the update. Per your request, I have attached a copy of the ERC certificates for the Mariposa Energy Project.

Please let us know if there is any additional information required to complete your review.

Thank you,

*Keith McGregor*

**Subject:** Info under Review

Hi keith,

The information that you sent is under review by engineering group. We will contact you in case if we have any issues.

District still needs offset certification number and the company names from Mariposa. Application cannot be reviewed by legal until I get the offset certification numbers and the companies names.

Thanks,

Madhav
