Mr. Greg Stone, Manager – Engineering Services
Bay Area Air Quality Management District
939 Ellis Street
San Francisco, CA 94109-7799

RE: Rule 2-1-236 Plant Closures

Dear Mr. Stone:

GWF Power Systems, L.P. hereby provides the District with the notice of the permanent closure of the following power plants:

- A3243 – 895 East Third Street, Pittsburg, CA 94565
- A3244 – 1600 Loveridge Road, Pittsburg, CA 94565
- A3245 – 1900 Wilbur Avenue, Antioch, CA 94509
- A3981 – 3400 Wilbur Avenue, Antioch, CA 94509
- A3246 – 555 Nichols Road, Bay Point, CA 94565

Each power plant was shut down on February 16, 2012 and permanent closure of the facilities was completed on March 26, 2012. GWF requests the District to cancel the Synthetic Minor Permits associated with each of the aforementioned plants effective March 28, 2012.

Thank you for your time and consideration regarding this request.

Respectfully,
GWF Power Systems, L.P.
