

BAY AREA
AIR QUALITY
MANAGEMENT
DISTRICT

PUBLIC NOTICE

May 21, 2015

TO: Parents or guardians of children enrolled at the following school(s):

**Meadows-Livingstone School
Bryant Elementary School
Starr King Elementary School**

All residential and business neighbors located within 1,000 feet of the proposed new or modified source(s) of air pollution listed below.

FROM: Bay Area Air Quality Management District

RE: Permit Application #26862 for the following source of air pollution:

**Sub-Slab Vapor Mitigation System
1501 Vermont LLC
1501 Vermont Street
San Francisco, CA 94107**

The Bay Area Air Quality Management District (the “District”) is a local agency that regulates stationary sources of air pollution such as factories, industrial sites, and gasoline stations.

Whenever we receive a permit application for a new or modified source(s) of toxic air contaminants located within 1,000 feet of a school site, State law requires that we notify the public. To comply with this requirement, we distribute or mail a Public Notice to the parents or guardians of students enrolled at schools located within ¼ mile, and all residents and businesses located within 1,000 feet, of the proposed source(s).

You are receiving this Public Notice because a permit application has been filed with the District for the above referenced source(s) of air pollution. A description of the proposed project follows:

On behalf of 1501 Vermont LLC, Erler & Kalinowski, Inc. has applied for an Authority to Construct and/or Permit to Operate a Sub-Slab Vapor Mitigation System abated by two parallel sets of Carbon Adsorption Vessels (2 nos.). The system will be used to mitigate migration of VOC vapor to indoor air from any accumulation of VOCs below the commercial building slab.

If you are interested in getting more information on the District's evaluation of this proposed project, you may request copies of the applicable staff report(s) by calling the District at the telephone number listed at the end of this notice. This information also can be viewed or downloaded from the District website at:
