Ms. Deborah Jordan  
Director, Air Division  
United States Environmental Protection Agency  
75 Hawthorne Street  
San Francisco, CA 94105

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing the renewal Major Facility Review Permit for the following facility.

Facility #	Facility Name	Address	Type of Operation
A0010	Chevron Products Company	841 Chevron Way Richmond, CA 94802	Petroleum Refinery

The 30-day public comment period on the proposed renewal permit ended on July 29, 2010 and the 45-day EPA review period ended on July 27, 2011. There were no comments received from the EPA. In response to a request from the facility, S-9324 was restored to Table II C, "Exempt Equipment List" because the facility rescinded their previous request to remove it from Table II C.

The District has decided to issue the renewal permit. The final permit can be viewed and/or downloaded on the BAAQMD website at <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Barry Young, Air Quality Engineering Manager, at (415) 749-4721.

Very truly yours,

Signed by Brian Bateman for Jack P. Broadbent  
Jack P. Broadbent  
Executive Officer/Air Pollution Control Officer
