Jack P. Broadbent
**EXECUTIVE
OFFICER/APCO**

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing a minor revision to the Major Facility Review permit for the following facility.

Facility Number	Facility Name	Application Number	Address	Type of Facility
A0010	Chevron Products Company	24427	841 Chevron Way Richmond, CA 94802	Petroleum Refinery

The purpose of this permit revision is to incorporate minor revisions that have been reviewed and approved through ten District New Source Review applications and one Title V administrative amendment application. The EPA review period ended on June 8, 2014. The District did not receive any comments on the proposed minor revision from ARB or the facility.

The final permit can be viewed on the BAAQMD website at <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the permit to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Jeff McKay for Jack P. Broadbent
Executive Officer/Air Pollution Control Officer
