Facility #	Facility Name	Address, City	Type of Operation
A0016	ConocoPhillips – San Francisco Refinery	1380 San Pablo Ave. Rodeo, CA 94572	Petroleum Refinery

This reopening addresses permit deficiencies identified by the EPA on October 8, 2004. The reopening also incorporates changes in applicable requirements authorized in an Authority to Construct, addresses issues raised in the refinery's appeal to the December 16, 2004 permit, and addresses some refinery comments.

The notice required by BAAQMD Regulation 2-6-415 was sent on December 16, 2004. The regulation requires at least 30 days' notice for any reopening.

The District is inviting public comment on the changes to proposed permit. The notice inviting written public comment will be published in the Contra Costa Times. The final date for comments is May 24, 2005. This permit will be sent to EPA for review after the public comment period and any response to public comments.

Enclosed are copies of the proposed permit, the public notice, and the statement of basis. If you have any questions regarding this project, please call Steve A. Hill, Permit Evaluation Manager, at (415) 749-4673, fax (415) 749-5030.

Sincerely,

Jack P. Broadbent
Executive Officer/Air Pollution Control Officer
