Subject: Proposed Renewal Title V Permit for Lehigh Southwest Cement Company

To Whom It May Concern:

I, representing my family as residents located at foothill (cupertino) location, strongly object the proposed renewal Title V permit for Lehigh Southwest Cement Company. Because of this company, the quality of our air is REALLY bad at our neighborhood. We can find a lot of dirt inside of our house everywhere everyday, on tables, furniture, TV, etc. Then you can tell how much dirt coming out from this company we get into our body from the air. We really appreciate if you can consider our concern, and stop the permit for Lehigh Southwest Cement Company.

Best Regards!

Dan
