Subject: Requesting Non-Renewal of Permit for cement plant in Cupertino

Ms. Bui,

We are a family of four with two children and live at 1150 Stafford Drive in Cupertino. I write to you with regard to the permit renewal for the Lehigh cement factory in Cupertino. I am really concerned about the continued operation of a cement plant right in the middle of our community that includes kids and seniors. Given the hazardous and toxic pollutants that may be emitted, I strongly request you to NOT grant or renew the permit to the cement company for any period of time.

I am hopeful that the cement company will not be issued a permit to operate and be reallocated to another area that isn't in close proximity with so many citizens.

Thanks and Regards,
Raja Venkatesh
