Quinlan Community Center, Cupertino**

Good evening,

My name is Iveta Harvancik. I live in the unincorporated Santa Clara County Los Altos area and I work in Saratoga. Almost every day when I drive north from Saratoga to Los Altos exiting from highway 85 to highway 280 I see a huge white cloud coming from the Lehigh Cement Plant. It happens on more days that it doesn't.

I trust tonight's meeting held by the Bay Area Air Quality Management District is the most appropriate forum to come to express my deepest concerns about this ongoing air pollution. As a direct witness I strongly oppose the renewal of the Lehigh Cement Plant operating permit.

Thank you.
