Subject: WVCAW comments sent Oct 1 & Sept 30, 2009

Hi Thu: For your convenience I am listing below the West Valley Citizens Air Watch comments submitted for the Proposed Major Facility Title V Operating Permit Renewal, Lehigh Southwest Cement Company, Site # A0017 on Sept 30 and Oct 1, 2009:

- 1) WVCAW Comment Letter submitted on Sept 30, 2009 (dated Sept 29, 2009) via e-mail containing attachments #1 (EPA letter to Lehigh requesting testing information) and #2 (comment by Dr. Neil Carman)
- 2) WVCAW Comment Letter submitted on Oct 1, 2009 by e-mail, followed by attachments #3, #4, #5 via e-mail:
 - #3 (WVCAW comment letter to EPA on Proposed Rule to reduce mercury in cement kilns),
 - #4 (letter submitted by on behalf of WVCAW, and others, by the Environmental Law and Justice Clinic GGU School of Law to EPA on Proposed Rule to reduce mercury in cement kilns)
 - #5 (SCC Medical Association letter to EPA on Proposed Rule to reduce mercury in cement kilns)
- 3) Comment Letter Memorandum of Technical Comments submitted on behalf of WVCAW by Alex Sagady on Oct 1, 2009 via e-mail including exhibits 1 - 6.

Thanks, Joyce M Eden, West Valley Citizens Air Watch, 408 973 1085
