BAY AREA
AIR QUALITY
MANAGEMENT
DISTRICT

Ms. Deborah Jordan
Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review permit for the following facility.

Facility Number	Application Numbers	Facility Name	Address	Type of Facility
A0022	24531	Phillips 66 Carbon Plant	2101 Franklin Canyon Road Rodeo, CA 94572	Carbon Plant

The purpose of the administrative amendment is to change the name of the facility from ConocoPhillips Carbon Plant to Phillips 66 Carbon Plant at the request of the facility. A change in the facility name is an administrative amendment as defined by BAAQMD Regulation 2-6-201. The District contact on the title page has also been changed from Brenda Cabral to Brian Lusher. This is also an administrative amendment. Administrative amendments do not require EPA review and are effective upon issuance.

The final permit can be viewed on the BAAQMD website at http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Jim Karas
Jim Karas
