Dear Ms. Jordan:

This is to inform you of the cancellation of the Major Facility Review (Title V) permit and Title V renewal permit application for GenOn Potrero LLC Potrero Generating Station.

The cancellation is in response to a letter dated March 31, 2011 from the GenOn Potrero facility stating that all significant combustion sources had been permanently shut down as of March 1, 2011.

The cancellation of the Title V permit and Title V renewal permit application is effective as of the date of this letter. The District will also notify the California Air Resources Board and the facility in writing of this permit action. A copy of the March 31, 2011 letter is enclosed.

If you have any questions regarding this matter, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,
