**EXECUTIVE
OFFICER/APCO**

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review permit for the following facility.

Facility Number	Application Number	Facility Name	Address	Type of Facility
A0030	26289	Owens Brockway Glass Container, Inc.	3600 Alameda Ave. Oakland, CA 94601	Glass Manufacturing Plant

The purpose of this administrative amendment is to replace the Responsible Official designated in the Title V permit for this facility. Pursuant to District Regulation 2-6-201, the replacement of the responsible official is defined as an administrative amendment and does not require EPA review prior to issuance.

The final permit can be viewed on the BAAQMD website at http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send the permit to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Jim Karas, P.E.
Jim Karas, P.E., Director of Engineering
