The 30-day public comment period for the proposed renewal permit ended on December 17, 2012 and the 45-day EPA review period ended on December 21, 2012. The District did not receive any comments on the proposed renewal permit from ARB or the public. The District received several comments from Owens Corning. A written summary of the comments, District responses, and any resulting changes to the permit is attached.

The District has decided to issue the renewal permit. The final permit can be viewed and/or downloaded on the BAAQMD website at the following address: <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Dennis Jang, Senior Air Quality Engineering, at (415) 749-4707.

Sincerely yours,
