Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing the renewal Major Facility Review permit for the following facility.

Facility	Facility Name	Application	Permit Engineer	City	County
A0581	Shore Terminals, LLC	24048 and 14948	Carol Lee	Crockett	Contra Costa

The 30-day public comment period for the proposed renewal permit ended on August 31, 2016 and the 45-day EPA review period ended on September 16, 2016. In response to a request from the applicant, we have revised the responsible official and facility contact information. In addition, the applicant noted that parts 1 and 2 of permit condition #24901 were startup conditions that have already been completed and therefore have been deleted from the final permit. The District did not receive any comments on the proposed permit from the EPA, ARB, or the public.

The District has decided to issue the permit. The final permit can be viewed on the BAAQMD website at <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Damian Breen for Jack P. Broadbent
