Ms. Deborah Jordan
Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Jordan:

The District has completed its evaluation of the application for renewal of the Major Facility Review Permit for the following facility:

Application Number	Facility Number	Facility Name	Address, City	Type of Operation
21654	A0621	City of Santa Clara, Electric Department	524 Robert Avenue Santa Clara, CA 95050	Cogeneration Facility

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comments will be published in the Mercury News, CA. The final date to submit comments is April 9, 2012.

The initial Title V permit for this facility was issued on March 22, 2000. The permit was renewed on August 30, 2005. Details of any subsequent revisions to the permit can be found in Section X of the permit entitled "Revision History". All proposed changes to the current permit are shown in strikeout/underline format.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,

Signed by Jeff McKay for Jack P. Broadbent
