BAY AREA  
AIR QUALITY  
MANAGEMENT  
DISTRICT

Ms. Deborah Jordan  
Director, Air Division  
**United States Environmental Protection Agency**  
75 Hawthorne Street  
San Francisco, CA 94105

Subject: Minor Revision to Major Facility Operating Permit for Facility A0901,  
Application No. 24260

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is proposing a minor revision to the Major Facility Review Permit for Valero Benicia Asphalt Plant and is submitting the permit to EPA for review.

The purpose of this minor permit revision is to incorporate revisions that have been reviewed and approved under four District New Source Review Applications. The proposed revisions are described in the statement of basis.

Because the proposed revision is minor pursuant to BAAQMD Regulation 2-6-215, it is not subject to public comment and it will be effective immediately. The revised permit will be formally issued after the 45-day EPA review period has ended.

The proposed Major Facility Review Permit and the statement of basis report can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions on this matter, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely,

Signed by Jeff McKay for Jack P. Broadbent
