

June 21, 2004

Ms. Deborah Jordan, Director
Air Management Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Jordan:

The District is proposing a minor revision to the following Major Facility Review permit:

Facility #	Facility Name	Address, City	Type of Operation
A0901	Valero Benicia Asphalt Plant	3001 Park Road Benicia, CA 90748- 1257	Petroleum Refinery/ Asphalt Plant

The purpose of the revision is to delete an operating hours limit for a small source, S70, Asphalt Additive Mixing Tank, to impose a daily throughput limit for S70, and to increase the annual throughput limits for S70 and S69, Asphalt Additive Loading Bin pursuant to Application #7471.

These revisions are minor pursuant to BAAQMD Regulation 2-6-215 and will be effective immediately. The permit will be formally re-issued after EPA review. This revision is not subject to public comment and therefore, requires no public notice.

Enclosed for your information are copies of the proposed revisions to the permit and the amended permit evaluation. These documents are the statement of basis for this minor revision. If you have any questions regarding this project, please call Steve A. Hill, Permit Evaluation Manager, at (415) 749-4673, fax (415) 749-5030.

Sincerely,

Jack P. Broadbent
Executive Officer/Air Pollution Control Officer
