

October 24, 2007

Ms. Deborah Jordan
Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing a minor revision to the Major Facility Review (Title V) Permit for the following facility.

Application Numbers	Facility Number	Facility Name	Address, City	Type of Operation
A1438	12215	New United Motor Manufacturing Inc.	45500 Fremont Boulevard Fremont, CA 94538	Automotive Manufacturing

The District proposed a minor permit revision for this facility on July 5, 2007.

The purpose of the revision is to allow an alternative emission limit of 10 ppmv NMOC at the outlet of several thermal oxidizers in place of the percentage destruction efficiency limit.

The permit was proposed to EPA on July 05, 2007. The review period ended on August 18, 2007. No comments were received.

The final renewal Title V permit can be downloaded from the BAAQMD website at http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Jeff McKay for
Jack P. Broadbent
Executive Officer/Air Pollution Control Officer
