Subject: Minor Revision to Major Facility Review Permit for Facility # A1812

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is proposing a minor revision to the Major Facility Review Permit for the Kirby Canyon Landfill Landfill, Facility Number A1812, and is submitting the permit to EPA for review.

This proposed permit revision is primarily a modification of the landfill gas collection system for the Kirby Canyon Landfill involving the installation of new gas collection wells and the removal of old, unproductive wells. In addition, the District intends to make various other revisions to the permit to update requirements, add clarity, and standardize permit text. There is no increase of emissions associated with this proposed revision.

This revision is minor pursuant to BAAQMD Regulation 2-6-215 and will be effective immediately. The permit will be formally re-issued after EPA review. This revision is not subject to public comment and therefore, requires no public notice.

A copy of the proposed revisions to the Major Facility Review Permit and the statement of basis report are enclosed for your review. If you have any questions on this matter, please call **Steve Hill, Air Quality Engineering Manager, at (415) 749-4673**.

Sincerely,

Jack Broadbent
Executive Officer/Air Pollution Control Officer
