Renewals of Title V Permits are also subject to review and approval by US EPA. If US EPA has not objected to a proposed permit and District has not addressed a public comment in a satisfactory manner, the public may petition US EPA, Region IX, Operating Permits Section at 75 Hawthorne Street, San Francisco, CA 94105, within 60 days after the end of US EPA's review, to reconsider the decision to not object to the permit. The beginning and end of EPA's review period can be found on EPA Region IX's website at:
