Subject: Proposed Minor Revision to the Major Facility Review Permit for
Potrero Hills Landfill, Inc., Facility No: A2039
Applications 21019, 26634, 26958

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is proposing a minor revision to the Major Facility Review Permit for the Potrero Hills Landfill and is submitting the permit to EPA for review.

The purpose of this minor permit revision is to incorporate the new landfill gas flare, revise a date in the schedule of compliance, and incorporate alternate wellhead operating parameters which were approved under the District's NSR permit program. The proposed revisions are described in the attached Statement of Basis.

The proposed Major Facility Review Permit and the Statement of Basis can be viewed on the BAAQMD website at:
<http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>.
We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please contact Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707 or djang@baaqmd.gov.

Sincerely,

Signed by Jim Karas, P. E.
