The 30-day public comment period for the proposed renewal permit ended on April 2, 2014 and the 45-day EPA review period ended on April 12, 2014. The District did not receive any comments on the proposed permit from the applicant, ARB, or the public.

After the public noticing period, the District removed two citations from Table VII-A of this permit, because these limits are not applicable to inactive or closed landfills. The District also added additional terms to the glossary.

The District has decided to issue the permit. The final permit can be obtained on the BAAQMD website at <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,
