BAY AREA
AIR QUALITY
MANAGEMENT
DISTRICT

Ms. Deborah Jordan
Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Subject: Proposed Minor Revision to the Major Facility Review Permit for
City of Palo Alto Landfill, Facility No: B2721
Application Number: 26066

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is proposing a minor revision to the Major Facility Review Permit for the City of Palo Alto Landfill and is submitting the permit to EPA for review.

The purpose of this minor permit revision is to make the following changes to the permit:

- Incorporate permit revisions approved pursuant to new source review applications 22543 and 26538.
- Delete all references to sources and abatement devices that have been permanently removed from the facility.
- Remove obsolete requirements that no longer apply because the landfill has permanently stopped accepting waste and cover materials.

All proposed revisions are described in the attached Statement of Basis.

The proposed Major Facility Review Permit and the Statement of Basis can be viewed on the BAAQMD website at:

<http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please contact Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707 or djang@baaqmd.gov.

Sincerely,

Signed by Jim Karas, P. E.
