The purpose of this administrative amendment is to change the Responsible Official and Facility Contact information for this site. Effective immediately, Mr. Lochlin Caffey has replaced Mr. Kevin Chiapello as the Responsible Official and Facility Contact for this site. The District is also correcting the due dates for the next MFR renewal permit in Section I.B.1. The application for the MFR renewal permit is due no later than July 4, 2012 (not June 14, 2012) and no earlier than January 4, 2012 (not January 4, 2013).

The amended permit may be viewed and/or downloaded at http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send a copy of the permit to EPA via the electronic permit submittal system. If you have any questions regarding this amendment, please call Barry Young, Air Quality Engineering Manager at (415) 749-4721.
