EXECUTIVE OFFICER/APCO

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is proposing a minor revision to the following Major Facility Review Permit pursuant to Application 10492:

Plant #	Plant Name	Type of Address City	Operation
A7034	Shore Terminals	2801 Waterfront Road Martinez, CA 94553	Receiving, Storing and Shipping of Petroleum Products

The purpose of this revision is to add two new gasoline internal floating roof tanks with 8.4 million gallons capacity each. This revision was reviewed under District Applications #10493. To add these sources, the following sections were revised or added:

- Table IIA - Permitted Sources
- Table IV-L - Source Specific Applicable Requirements
- Section VI - Schedule A of Condition # 1253 revised to change the total POC emissions for the whole facility from 67.146 to 71.426 tons per calendar year.
- Section VI - Condition # 21829 added for S-79 and S-80, Internal Floating Roof Tanks
- Table VII-L - Applicable Limits and Compliance Monitoring Requirements

The following corrections and changes were also made:

- The standard portions of the permit have been updated.
- The dates of various BAAQMD and SIP rules have been updated or corrected.
- Various corrections of grammar and permit format were made.
- The bases for some conditions cited in Section IV, Source-Specific Applicable Requirements, were corrected to reflect the correct bases in Section VI, Permit Conditions.
- The full language of SIP requirements is on EPA Regions 9's website was added to Tables IV – Source Specific Applicable Requirements.

Also, additional changes have been made to the permit to make it conform to the current format and various minor corrections have been made.

The District has made a preliminary decision to issue the Minor Revision to the Major Facility Review permit, but the final decision on the permit issuance will consider EPA comments on this preliminary decision.

Enclosed for your information are copies of the proposed permit and the statement of basis. If you have any questions regarding this project, please call Steve A. Hill, Permit Evaluation Manager, at (415) 749-4673, fax (415) 749-5030.

Very truly yours,

Signed by Jack P. Broadbent
