TITLE V FACILITY REVIEW

Semi-Annual Update: January 1, 2012 to June 30, 2012

Facility Name: Western Fiberglass, Inc.
Facility Permit #: A7974

The intent of this semi-annual monitoring report is to meet the requirements of Regulation 2, Rule 6: Major Facility Review (Title V)

The management, production staff, and the purchasing department reviewed permit #A7974. There have been no instances of non-compliance.

Each shipment of resin material has been confirmed to meet the requirements of Regulation 8-50-305 and 8-50-304.

Cleaning materials have been confirmed to meet the requirements of Regulation 8-50-305.

Gel Coat materials comply to Regulation 8-50-307.

The established limits of material usage have not been exceeded.

I, Frank V. Lillo, do hereby certify the above is true, accurate, and complete.

A handwritten signature in cursive script, appearing to read "F. Lillo".

Frank V. Lillo
President
