The District has made a preliminary decision to issue the Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comments will be published in the Press Democrat. The final date for comments is December 2, 2008.

The initial Title V permit for this facility was issued on July 1, 1997. Details of the previous revisions can be found in Section X of the permit "Revision History". All changes to the most recent version of the permit are clearly shown in strikeout/underline format.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send the documents to you via the electronic permit submittal system. If you have any questions regarding this project, please call **Barry Young, Air Quality Engineering Manager, at (415) 749-4721**.

Very truly yours,
