Dear Ms. Jordan:

The District has completed its evaluation of the application for the initial Major Facility Review Permit for the following facility:

Application Number	Facility Number	Facility Name	Address	Type of Operation
21610	B0295	Air Products and Chemicals, Inc.	150 Solano Way Martinez, CA 94553	Hydrogen Manufacturing; Support Facility for a Petroleum Refinery

The District has made a preliminary decision to issue the initial Major Facility Review Permit for this facility, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comment will be published in the Contra Costa Times. The final date for members of the public to submit comments is June 30, 2015.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please contact Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707 or djang@baaqmd.gov.

Very truly yours,
