Dear Ms. Jordan:

MARIN COUNTY
Katie Rice

This is to inform you that the District is cancelling the Title V permit for the facility cited above. The Title V permit for this facility was last renewed on March 29, 2011 under application number 14578. A permit renewal application was due on September 28, 2015 but was not submitted because all of the engines at this facility have been shutdown. The final remaining source, a landfill gas condensate tank, was removed from service on September 30, 2015.
