

**BAY AREA
AIR QUALITY
MANAGEMENT
DISTRICT**

October 26, 2015

Ms. Deborah Jordan
Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review permit for the following facility.

Facility Number	Application Number	Facility Name	Address	Type of Facility
B1866	27473	Los Medanos Energy Center	750 East Third Street Pittsburg, CA 94565	Power Plant

The purpose of this administrative amendment is to:

- Change the facility contact from Jeff Sorenson to Maria Barroso and to delete the alternate responsible officials listed on the current Title V permit. These were added to the permit in error since 40 CFR Part 70 and District Regulation 2, Rule 6 do not have any provisions for an alternate responsible official for Title V.
- Change the alternate designated representative for Acid Rain permitting from Jeff Sorenson to Maria Barroso.
- Update the EPA region 9 mailing address listed in Section I.G. of the permit

The final permit can be viewed on the BAAQMD website at <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Jim Karas, P. E.

Jim Karas, P.E.
